## QUICK FACTS

**WHAT IS WHITE ROCK:** White Rock is a senior living community designed for independently living seniors age 55+. The neighborhood consists of two residential buildings (the Cliff House and the Granite House built in 2002) totaling 156 apartments.

**LOCATION:** Located in the center of Bow, New Hampshire at the intersection of Bow Center Road and White Rock Hill Road, White Rock Senior Living Community is less than three miles from downtown Concord and just 1.2 miles from Interstates 89 and 93. White Rock offers convenient and easy access to downtown shopping, services and amenities available in the Concord area.

**OPTIONAL HEALTH & LIVING SERVICES:** It is our goal for all residents at White Rock to remain completely independent as they age gracefully. However, we understand that sometimes things don't always come as easily as they used to. That is why we offer an array of optional services to assist residents with living independently. These include on-site beauty salon, housekeeping, and health care services. Low-cost membership in White Rock Peak Wellness Club entitles residents to an individually designed wellness plan, regular visits with the on-site Visiting Nurse Association, a monthly wellness luncheon, and discounts on optional services. See [Optional Health and Living Services Pricing Information](#) attached.

**APARTMENTS:** All apartments are one and two bedrooms, with complete kitchens, a bathroom, and living/dining room. The kitchens are equipped with maple cabinets and white or Clean Steel GE appliances: 4 burner stove, refrigerator, dishwasher, and some have microwaves. Each apartment has neutral colored carpeting, a sprinkler system and hardwired smoke detectors. Some have bathtubs, while others have shower stalls. There is no smoking and pets are not permitted.

**RENT:** The apartments are rental units; residents sign a one-year lease. Rent includes heat, electricity, water/sewer, trash/recycling, and routine maintenance/upkeep. White Rock requires a reservation deposit equal to one month's rent to hold the unit. This deposit becomes the resident security deposit upon occupying the apartment. See [Rent & Income Limits](#) for specific rental pricing info.

**CABLE/TELEPHONE/INTERNET:** Residents are responsible for their telephone, cable, and internet expenses. Discounted cable and telephone service is offered exclusively to residents at White Rock and offers a discount of over 30% compared to other providers. Cable hook-ups are installed in the living room and in each bedroom. Wireless internet is available through an outside service provider.

**LAUNDRY/PARKING/STORAGE/TRASH:** Outdoor parking is available on a first-come first-serve basis. White Rock has conveniently located self-service, card operated laundry facilities on every floor, as well as trash rooms for easy trash removal. Storage lockers are available for a monthly fee. Air conditioners can be rented during the summer months.

**AFFORDABILITY:** If an apartment is designated as AFFORDABLE, that apartment can only be rented to a resident who meets the income limitations that are set by the Federal Government. There are three different levels of affordability at White Rock- *Level I*, *Level II*, and *Level III*. Level I is more affordable, but has a greater limitation on income. Market rate apartments have no limitation on income. See [Rent & Income Limits](#) for more information.
